

Hudson Valley Ambulatory Surgery LLC Surgery Checklist

- Please print this checklist and complete before surgery. If you have any questions, please call Nancy in Presurgical Scheduling, 845-692-9900.
- I/My child completed all necessary testing and blood work within one week of surgery.
- I/My child saw the primary or referring doctor within one week of surgery.
- I notified the doctor of all medications, vitamins, and herbal supplements taken regularly.
- I discussed the upcoming surgery with the diabetes team and got instructions from them on adjusting medication.
- I received and read the advance directive booklet.
- I read the instructions on [preparing for my surgery](#) [link to Preparing for Adult Surgery] or for [my child's surgery](#) [link to Preparing for Pediatric Surgery].
- I called Hudson Valley Ambulatory Surgery at 845-692-9900 between 1:00 pm and 3:00 pm on the day before scheduled surgery to confirm the surgery time.
- I/My child did not eat or drink anything after midnight.
- I/My child left all jewelry and valuables at home.
- I/My child took heart or blood pressure medications with a small sip of water on the morning of surgery.
- I have my/my child's insurance card(s) and photo ID with me.
- I have my/my child's completed Anesthesia History Form.
- For a child, I have my photo ID with me, along with legal documents if I am a legal guardian who is not a parent.
- I arranged with an adult for a ride to and from Hudson Valley Ambulatory Surgery. For a child, a parent or legal guardian will bring the child to and from the surgery and remain in the center during the procedure.
